

National Membership contributions

The International Federation of Arts Councils and Culture Agencies (IFACCA), the global network of national arts funding bodies, is funded by membership contributions, grants from foundations, and sponsorship. There are two categories of IFACCA membership: National and Affiliate.

National Members are national arts councils or government agencies (including ministries of culture) whose primary role it is to support the arts and culture through funding and/or promotion. The table below lists the annual membership contributions for each country.

The contributions are for a calendar year and are expressed in Australian dollars (AUD). We are committed to keeping our fees as stable as possible, and our 2019 fees are aligned with the 2016-2018 UN Scale of Assessment and an 'IFACCA factor' of 23,000. There is a contribution ceiling of AUD100,000 and a contribution floor of AUD500.
