

National Membership contributions

The International Federation of Arts Councils and Culture Agencies (IFACCA) is primarily funded by membership contributions. There are two categories of membership: National and Affiliate.

National Members are national arts councils or government agencies (including ministries of culture) whose primary role is to support the arts and culture through investment, promotion and/or policy. There can be only one National Member per country. The table below shows the annual country membership contributions for National Members in 2023.

The contributions cover the calendar year and are expressed in Australian dollars (AUD). We are committed to keeping our fees as stable as possible, and our 2023 fees are aligned with the 2022-2024 UN Scale of Assessment, in conjunction with a base figure determined by the IFACCA Board. The base figure for National Members in 2023 is 25,000. There is a contribution ceiling of AUD100,000 and a floor of AUD500.
